### Overview

In alignment with our Microsoft values, we are committed to cultivating an inclusive work environment for all employees to positively impact our culture every day and we need you as a **Fiber Delivery Engineer**.

As a **Fiber Delivery Engineer** on the Cloud Interconnection + Acquisitions (CI+A) Team you will contribute to building a world-class network infrastructure by working with Metro Dark Fiber, Long-Haul Fiber, subsea, and Lit Wave circuits. With a flexible workplace, you can work from home partially or fully and/or come to the office on an as needed basis.

Microsoft's Cloud Operations & Innovation (CO+I) is the engine that powers our cloud services. As a **Fiber Delivery Engineer** you will perform a key role in delivering the core infrastructure and foundational technologies for Microsoft's online services including Bing, Office 365, Xbox, OneDrive, and the Microsoft Azure platform. As a group, CO+I is focused on the personal and professional development for all employees and offers trainings and growth opportunities including Career Rotation Programs, Diversity & Inclusion trainings and events, and professional certifications.

Our infrastructure is comprised of a large global portfolio of more than 200 datacenters in 32 countries and millions of servers. Our foundation is built upon and managed by a team of subject matter experts working to support services for more than 1 billion customers and 20 million businesses in over 90 countries worldwide.

With environmental sustainability and optimization at the forefront of our datacenter design and operations, we continue to grow and evolve as we meet the ever-changing business

demands that hold Microsoft as a world-class cloud provider.

Microsoft's mission is to empower every person and every organization on the planet to achieve more. As employees we come together with a growth mindset, innovate to empower others, and collaborate to realize our shared goals. Each day we build on our values of respect, integrity, and accountability to create a culture of inclusion where everyone can thrive at work and beyond.
